GB Tech Commits to Bid for the Logistics Operations Contract at JSC

GB Tech, Inc. announced on Monday, September 29, 2006, that it will prepare and submit a proposal for the Logistics Operations Contract (LOC) at NASA's Johnson Space Center in Houston. LOC is one of five parts of the Center Operations Support Services contract currently in the procurement cycle at JSC. For more information on our logistics capabilities, please see the GB Tech Logistics Operations website at:
